

# IT'S GREAT TO BE ME

Lyrics by Aimée Fischer

There's no one else I'd rather be, I know that it's great to be me

I'll draw my  so I'll remember, that it's \_\_\_\_\_ to be me

I'll draw my head; it's nice and round, a perfect  shape for me

And it's perfect fit for my body, so it's \_\_\_\_\_ to be me

I'll make two , they're circles, too, and that's my favorite shape, you see

They make my eyes when they're together. Yes sir, it's \_\_\_\_\_ to be me

I'll draw my body, arms, legs and feet, my nose and ,

then I'm complete

I think my smile looks like a , and it's so fun to be me.

There's no one else I'd rather be, I know that it's \_\_\_\_\_ to be me

I draw my face so I'll remember, that it's \_\_\_\_\_ to be me

Yes sir, it's \_\_\_\_\_ to be me
