

LET'S FIND THE FAMILY

All around us in the whole world, there are many families

So-o many sets of objects, classify them, try with me!

Red and yellow, pink and purple, white and green, and even blue,

We can tell these are all colors, and we only named a few!

are different types of clothes, The-y keep us warm and comfy, from our head down to our toes.

Then we move on to the shapes group, can you name some try with me:

SPOKEN: Let's see if you can classify these things:

Brothers, sisters, moms & dads, grandmas & uncles too: **FAMILY**

Pennies, nickels, quarters, dimes and dollars: **MONEY**

We can classify all sorts of things, into many different groups

It's a skill we need to learn in our educational pursuits!

All around us in the whole world, there are many families

So-o many sets of objects, classify them, try with me!
