

peaPod 3- IT'S GREAT TO BE ME

**There's no one else
I'd rather be, I know that it's
great to be me
I'll draw my face so I'll
remember, that it's great
to be me**

**I'll draw my head;
it's nice and round, a perfect
circle shape for me
And it's a perfect fit for my
body, so it's great to be me**

**I'll make two eyes, they're
circles, too, and that's my
favorite shape, you see**

**They make my eyes when
they're together. Yes sir, it's
great to be me**

**I'll draw my body, arms, legs and
feet, my nose and mouth, then
I'm complete**

**I think my smile looks like a
banana, and it's so fun to be me**

**There's no one else I'd rather be,
I know that it's great to be me
I draw my face so I'll remember,
that it's great to be me
Yes sir, it's great to be me
(Yippie!)**
