

peaPod 4- IT'S FUN TO SHARE WITH YOU

I like to share,
 it's what I do
 Fun for me and
 fun for you
 You can use the
 red crayon,
 I'll use blue.
 Then we'll switch
 and you can use it too.

if I ask to borrow,
 I'll say please
 Manners help us
 share with ease
 Let's work together
 and we'll see
 Just how happy
 friends can be.

You can sit in this
 empty chair
 Here, are Legos
 I can spare

Please, may I hold
 your teddy bear?
 This is how to
 show we care.

Look, I let my sister
 ride my trike
 My brother plays
 with things I like
 I share my favorite
 games and favorite toys
 Plenty of things
 we all enjoy

I can make my mom
 smile every day
 By sharing all my
 things at play
 When I share with
 others then I learn,
 it's good for us
 to all take turns.
